Re: Pettit Zone, Sand Units S and 58
LOGANSPOUT FIELD
DeSoto Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **BP AMERICA PRODUCTION COMPANY** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Pettit Zone, in Logansport Field, DeSoto Parish, Louisiana:

1. To redefine the Pettit Zone, in the Logansport Field, only insofar as Sand Units S and 58 are concerned, as being that gas and condensate bearing zone encountered between the depths of 6,066 feet and 6,122 feet (electrical log measurements) in the BP America Production Company – McCoy No. 2 Well, located in Section 34, Township 12 North, Range 15 West, DeSoto Parish, Louisiana.

2. To permit the applicant to drill, designate and utilize its Christian No. 2 Well as an alternate unit well for the PET SUS, at the location shown on the plat attached hereto and made a part hereof, in exception to the spacing provisions of Office of Conservation Order No. 28-E, effective October 3, 1944.

3. To permit the operator to produce the unit allowable from the existing unit well, the proposed alternate unit well, or from both, at the discretion of the operator.

4. To permit the applicant to drill, designate and utilize its McCoy No. 2 Well as substitute unit well for the PET SU58, said well located as shown on the plat attached hereto, in exception to the spacing provisions of Office of Conservation Orders No. 28-E, effective October 3, 1944.

5. To find that the proposed alternate and substitute unit wells are necessary to efficiently and economically drain a portion of the reservoir covered by the units on which they are located that cannot be so drained by any existing well within such units.

6. Except insofar as set forth above, to confirm and continue in effect the units established for the Pettit Zone, in Office of Conservation Orders 28-E and 28-K Series of Office of Conservation Orders.

7. To consider such other matters as may be pertinent.

The Pettit Zone, in the Logansport Field, Desoto Parish, Louisiana, was originally defined in Office of Conservation Order No. 28-E, effective October 3, 1944, and is hereby redefined as to the PET SUS and PET SU58 in the manner set forth in Item No. 1 above.

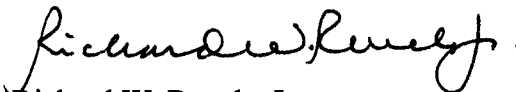

Pertinent data, including well logs, may be obtained, AT THE COST OF THE REQUESTING PARTY, from Louis Gilbert & Associates, 3636 North Causeway Blvd., Suite 204, Metairie, Louisiana, 70002, Telephone Number (504) 837-6393.

Pursuant to the Revised Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for Wednesday, April 28, 2004, WILL NOT BE HELD.

Attached hereto and made a part hereof is a plat, along with a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the notice dated April 7, 2004) and list of parties are being furnished only to the Commissioner of Conservation and the District Manager of the Shreveport District of the Office of Conservation; however, the plat and/or list of parties will be furnished to any party requesting a copy. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$755.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
